

Region 14, Hopewell Center Presents

Positive Behavioral Interventions & Supports Tier I: Blended Training

Target Audience:

This training is designed to support PBIS Leadership teams to meet the expectations of [H.B. 318](#) by actively participating in the online PBIS Tier I Blended Training, which contain the train-the-trainer modules.

 We will be providing a self-paced hybrid course and virtual Zoom follow-up sessions to provide additional resources and supports for PBIS Leadership teams.

 We will be using **Schoolology** to provide the 18 hour virtual training. 

Participants must register as a team.
