*Leading with innovative
solutions for student and
community success.*

MODULE 1: What is Prevention?
MODULE 2: Planning for Prevention
MODULE 3: Leading for Prevention

Presenters:
Kim K. Adams (kkadams@southernohioesc.org)
Curt Bradshaw (cbradshaw@southernohioesc.org)
Contact us with any questions.

This session is focused on the importance of prevention in schools. We'll discuss:

- How prevention can promote the mental wellness of students, staff, and families
- The science of prevention
- Turning good prevention practice into BEST practice
- Local resources available to support school-based prevention efforts
