

Region 14 PBIS Podcast Show Notes August/September 2020

August/September PBIS Podcast: **(approximately 18 minutes in length)**

Purpose of the Podcast:

The purpose of the Region 14 PBIS podcast is to provide updates to our region about what is happening in the field for PBIS; to be able to share resources to support the implementation of PBIS in all tiers with fidelity (Face to Face and remote); and to provide a pathway for two way communication between Region 14 PBIS team and the district and building community of learners. Guests could include SST members, RSSoS members, PBIS network members, administrators from Region 14, state and national presenters, author, specialists.

Vision of Podcast:

The vision of the podcast is to provide an avenue of two way communication to allow individuals and groups to access PBIS professional development (anytime and anywhere), collaboration, and networking.

SOESC website through a Google folder.

Updates and Resources for Fall of 2020:

2020 Ohio Awards Application:

The plan will permit schools and districts that received recognition last year to continue to receive the same levels of recognition this year. They do not have to submit any application materials or take any further action. The PBIS Recognition System application still will be open for schools or districts that voluntarily wish to apply as first-time applicants, those that did not receive awards previously, or those that wish to apply for higher levels of recognition. Please see the [2019-2020 PBIS Recognition Plan](#) for further details.

LPDC credit/ Certificate of Participation:

By answering the questions below, Region 14 SST will be able to provide you with a certificate of participation.

Would a meeting/gathering, virtually or face-to-face, of PBIS leaders be of interest to you?

If Region 14 offered an ongoing opportunity for PBIS leaders to network and collaborate with other leaders in Region 14, what might that look like?
