

# THE GRID METHOD

with Chad Ostrowski  
from Teach Better

October 27 - November 19, 2020

**This interactive 8-Week Virtual training will allow teachers to develop tiered Mastery Learning grids to reach all students in a self-paced, student-led environment.**

**All training will be delivered virtually via Zoom.**

Participants will be led through the creation of Mastery Grids from Ohio's Learning Standards and shown how to effectively implement The Grid Method in their classroom.

THE GRID METHOD  
Mastery Learning System

Topics during this session will include:  
Preparing to Start Your First Grid,  
Preparing the Learning Environment,  
Managing Learner Progress, Lesson  
Structure, Student Goals, and Grading.
